

LETTER FROM THE CHAIR

February 29, 2024

Dear Fellow Supply Corps Officers and Friends,

As we celebrate the Supply Corps 229th Birthday, I wish you and your families a prosperous 2024 and look forward to seeing you at Foundation events this year. Our Supply Corps Community is active and engaged across the Foundation's 38 Chapters, with many local events planned for camaraderie, development, and service.

The Foundation finished a highly successful year in 2023, as summarized in the attached [infographic](#). Thanks to your generosity, the level of donations and new endowments was outstanding. We executed a robust Scholarship program and celebrated accomplishments in other mission areas: Heritage, Transition, Family Assistance and Support (FAST), and Recognition. All of this was achieved in a lean and effective manner. Our Scholarship program for 2024 is well underway and we appreciate your help spreading the word on the program's broad opportunities, especially for **Enlisted** and **Spouse** applicants.

From Heritage to Scholarships, to Transition and beyond, your generous support is a key driver to our success. In 2024, we continue to emphasize the theme *Honor Our Heritage... Invest in Our Future* and ask you to [consider a donation](#) to help sustain the Foundation. Your financial support in the area of greatest need ensures the future stability of the Navy Supply Corps Foundation. Your donation will support our general operations, as well as efforts to promote the Supply Corps heritage and traditions that we have all grown to appreciate and treasure. We need everyone to share the good work we are doing with your personal networks—grass roots engagement remains critical to our continued success.

Thank you again for a successful 2023. I wish you a Happy 229th Supply Corps Birthday! Go Navy Supply Corps!

Sincerely,

A handwritten signature in black ink that reads "Eddie".
